MEMORANDUM FOR: Chief, D/E/HR

SUBJECT : Report on CIA Participation in 1955 MDAC Fact Sheet Program

1. Papers on 38 subjects (see attachment) in the 1955 MDAC Fact Sheet series were transmitted to MDAC agencies by EDAC D-105 of 27 May 1955, thereby completing (with the exception of C-3, M-5, T-2, T-4, T-6) the 1955 program. In response to your memorandum of 18 June the following report of CIA's contribution to this program has been prepared.

2. By memorandum of 18 March 1955, Acting Chief, D/E/HR requested E Area support in the preparation, revision and review of the 1955 MDAC Fact Sheets. This memorandum informed Ch/E/HR of the program objectives and of allocation of agency responsibility for papers in the 1955 series. CIA was requested to revise three papers prepared in 1954 (C-3, T-5, T-15), to prepare M-5, and to review C-1, C-2, C-6, T-4 and T-6. The undersigned, as a member of an ad hoc working group under FOA chairmanship, was designated to coordinate CIA's participation in the 1955 program.

3. E Area Contributions were prepared under OHR Project 42.682 - "Revision of MDAC Fact Sheets for 1955". Specific contributions of the E Area and D/E/HR are indicated on the attached tabulation.
